FOR SOCIAL RESPONSIBILITY**

To Whom It May Concern:

This Letter of Support offers resounding support for the Dennis Wirgowski Football Camp.

Dennis was a long time member and supporter of our YMCA in Bay City. He had a big presence in our locker room, pool and fitness floor. His presence was only matched by his personality. His love for the game of football resonated from him and to the youth who attended the YMCA with him.

We strongly support the efforts of those who are honoring his name and legacy with this fantastic free camp. This camp was established to help young people to learn the great game of football in a safe manner, to learn how to be part of a team, and learn how to have proper sportsmanship no matter the results of the game.

The Dow Bay Area Family YMCA is proud to already partner with the Dennis Wirgowski Football Camp and look forward to continuing our active engagement as we take very seriously our cause of strengthening the foundations of our community through Youth Development, Healthy Living, and Social Responsibility.

Most sincerely,
